

# Quantum Education Open House

Inviting all educators and members of the community to the Quantum Education Open House, taking place before the 2022 APS March Meeting, to learn about quantum education efforts and workforce development programs.

**Date:** Sunday, March 13  
**Time:** 4:00 - 7:00 pm  
**Location:** Prairie Room,  
McCormick Place, Level 2,  
West Building, Chicago, IL

You are invited to an Open House with information and demonstrations from a range of programs.

Highlights include:

- Quantum Games
- Trainee Poster Session
- Quantum Curricula for Teachers
- Information for Professionals
- Panel Discussion from 4:00 - 4:30pm – Integrating QISE into Undergraduate Curriculum: Challenges and Opportunities
